

IMPORTANT NOTICE FOR RESIDENTIAL CUSTOMERS CONCERNING MEDICAL EQUIPMENT IN YOUR HOME

If you or a permanent member of your household uses medical equipment that requires life-sustaining, continuous electric service, such as:

- **Oxygen Concentrator**
- **Kidney Dialysis Machine**
- **Infant Apnea Monitor**
- **Electric Feeding Pump**

please contact Westar Energy at 1-800-383-1183 (local Wichita number, 383-8600).

Our customer service representatives will provide additional information and instructions to see if your account qualifies for our Life Support Program.
